	0.35% / 0.35%						\$ 25,000.00		
	0.55% / 0.55%						\$ 100,000.00		
IRA	0.30% / 0.30%	Monthly	Quarterly	Quarterly	—	—	\$ 100.00	Daily	Transfer Limitations
	0.30% / 0.30%						\$ 2,000.00		
	0.30% / 0.30%						\$ 10,000.00		
	0.30% / 0.30%						\$ 25,000.00		

ACCOUNT DISCLOSURES

Except as specifically described, the following disclosures apply to all of the accounts listed in the above Dividend Rate Schedule.

1. Rate Information: The Annual Percentage Yield is a percentage rate that reflects the total amount of dividend rate and frequency of compounding for an annual period. For all accounts, the Dividend Rate and Annual Percentage Yield for a Dividend Period may change as determined by the Board of Directors. A lapsed date disclosed in the Rate Schedule indicates that the rates and yield for the current Dividend Period have not been declared by the Board of Directors.

2. Nature of Dividends: Dividends are paid from current income and available earnings after required transfers to reserves at the end of the Dividend Period.

3. Dividend Compounding and Crediting: The compounding and crediting frequency of dividends and Dividend Period applicable to each account are stated in the Rate Schedule. The Dividend Period is the period of time at the end of which an account earns dividend credit. The Dividend Period begins on the first calendar day of the period and ends on the last calendar day of the period.

4. Balance Information: To open any account you must deposit or already have on deposit at least the par value of one full share in your **Primary** savings account. The par value amount is stated in the Rate Schedule. Some accounts may have additional minimum opening deposit requirements. The minimum balance requirements applicable to each account are stated in the Rate Schedule. For applicable accounts, the minimum balance required to avoid a service fee for the Statement Period is stated in the Rate Schedule. If the day-end balance for each day during the Statement Period does not meet the required minimum balance, there will be a service fee for the statement period as stated in the Fee Schedule. For applicable accounts, you will not earn the stated Annual Percentage Yield for the Dividend Period on any day-end balance that falls below the required minimum balance stated in the Rate Schedule.

5. Accrual of Dividends: For all accounts, dividends will begin to accrue when cash is deposited. Dividends will begin to accrue on noncash deposits (e.g. checks) on the business day you make the deposit to your account. Dividends are calculated by the Daily Balance method which applies a daily periodic rate to the balance in the account each day. At the end of the

Dividend Period the daily dividend total is added to the account. Dividend calculations are based on a 365-day year. If you close your account before accrued dividends are credited, you will not receive the accrued dividends.

6. Fees for Overdrawing Accounts: Fees may be imposed on each check, draft item, ATM card withdrawal, debit card point of purchase, preauthorized automatic debit, telephone initiated withdrawal or any other electronic withdrawal or transfer transaction that is drawn on an insufficient available account balance. The entire balance in your account may not be available for withdrawal, transfer or paying a check, draft or item. Consult the Your Ability to Withdraw Funds Policy for information regarding the availability of funds in your account. Fees for overdrawing your account may be imposed for each overdraft, regardless of whether we pay or return the draft, item or transaction. If we have approved an overdraft protection limit for your account, such fees may reduce your approved limit. Refer to the Fee Schedule for current fee information.

7. Limitations: For **Primary** and **My Choice** savings accounts, no more than six (6) preauthorized, automatic, or telephone transfers may be made from each account to another account or to a third party in

any month. If you exceed more than 3 transfers in a month your account will be subject to a fee, as disclosed in the Fee Schedule. For **Money Market** accounts, no more than six (6) preauthorized, automatic, or telephone transfers may be made from each account to another account or to a third party in any month. **Money Market** accounts are not accessible for ATM Card withdrawal. For **IRAs**, you may not make any preauthorized, automatic or telephone transfers from your account at any time. For **Christmas Club** accounts, the entire balance will be paid to you by check or transferred to another account of yours on or after October 1st and the account will remain open. For **Christmas Club** accounts, you may not make any preauthorized, automatic or telephone transfers from your account at any time. If you make a withdrawal from your account before October 1st, your account will be closed and you will be charged a fee as disclosed in the Fee Schedule. BluCurrent reserves the right to require a member intending to make a withdrawal from any account, except a checking account, to give written notice of such intent not less than seven (7) days and up to sixty (60) days before such withdrawal.

ACCOUNT DISCLOSURES

Except as specifically described, the following disclosures apply to all of the accounts listed in the above Interest Rate Schedule.

1. Rate Information: The Annual Percentage Yield is a percentage rate that reflects the total amount of interest to be paid on an account based on the interest rate and frequency of compounding for an annual period. If you do not meet the Rate/Reward Qualifications for **Prosper Checking** and **Growth Savings**, the interest rate paid on the entire balance will be **0.01%** with an Annual Percentage Yield of **0.01%**. If you meet the Rate/Reward Qualifications, you will be paid the tiered rates. The interest rates and annual percentage yield may change every calendar month based on the determination of the Board of Directors.

2. Compounding and Crediting: When **Prosper Checking** is accompanied by **Growth Savings**, interest earned in **Prosper Checking** is automatically transferred to **Growth Savings** each statement cycle. If you close your account before interest is credited, you will not receive the accrued interest.

3. Balance Information: To open any account you must deposit or already have on deposit at least the par value of one full share in your **Primary** savings account. The par value amount is stated in the Dividend Rate Schedule. BluCurrent uses the Daily Balance method to calculate the interest on your account. This method applies a daily periodic rate to the principal in the account each day.

4. Accrual of Interest on Noncash Deposits: Interest begins to accrue on the business day you deposit noncash items (e.g. checks).

5. Limitations: For the **Growth Savings** accounts, no more than six (6) preauthorized, automatic, or telephone transfers may be made to another account or to a third party in any month. If you exceed more than three (3) transfers in a month your account will be subject to a fee, as disclosed in the Fee Schedule. **Growth Savings** accounts must be accompanied by a corresponding **Prosper Checking** account. BluCurrent reserves the right to require a member intending to make a withdrawal from any account, except a checking account, to give written notice of such intent not less than seven (7) days and up to sixty (60) days before such withdrawal.

6. Fees for Overdrawing Accounts: Fees may be imposed on each check, draft, item, ATM card withdrawal, debit card point of purchase, preauthorized automatic debit, telephone initiated withdrawal or any other electronic withdrawal or transfer transaction that is drawn on an insufficient available account balance. The entire balance in your account may not be available for withdrawal, transfer or paying a check, draft or item. You may consult the Your Ability to Withdraw Funds Policy for information regarding the availability of funds in your account. Fees for overdrawing your account may be imposed for each overdraft, regardless of whether we pay or return the draft, item or transaction. If we have

approved an overdraft protection limit for your account, such fees may reduce your approved limit. Please refer to the Fee Schedule for current fee information.

7. Qualifications: To qualify for **Prosper Checking** and **Growth Savings** preferred rates and receive reimbursements on your ATM fees, you must perform the following during the Monthly Qualification Cycle; a) at least twelve (12) debit card purchases post and clear; b) at least one (1) automatic payment or online Bill Pay payment post and clear; c) access online banking; d) receive eStatements. To qualify for **ePerks** rewards and receive reimbursements on your ATM fees, you must perform the following during the Monthly Qualification Cycle; a) at least twelve (12) debit card purchases of \$5 or more post and clear; b) receive eStatements. Please note that transactions MUST post and clear to your account during the Monthly Qualification Cycle. They may not be in a pending state to qualify as one of the qualifications. Transactions may take one or more business days from the date the transaction was made to post to and clear an account.

Monthly Qualification Cycle means a period beginning one day prior to the first day of the current statement cycle through one day prior to the close of the current statement cycle. This means the first day of each Monthly Qualification Cycle is also the last day of each Statement Cycle. Therefore, your account's interest earnings for the first day of each Monthly

Qualification Cycle will be accrued at the rate earned during the current statement cycle. If you have met your qualifications

for the month, we will reimburse you for domestic ATM fees up to \$4.99 per item/month. ATM fee reimbursements will be credited to your account on the last day of your statement cycle. ATM fees of \$4.99 or less will be reimbursed up to a maximum of \$4.99 per individual transaction. ATM fees of \$5.00 and higher will be reimbursed if the appropriate ATM receipt is presented to a representative at one of our branches. If you believe that you have not been reimbursed the correct amount, please contact us. We must hear from you no later than 30 days after the statement cycle where the reimbursement was applicable. The collective total of all ATM fees that will be reimbursed for a qualification cycle will be unlimited for each qualification cycle.

Note: Debit card transactions processed by merchants & received as ATM transactions do not count towards qualifying debit card transactions. Only debit card transactions processed by merchants & received by BluCurrent as POS transactions count towards qualifying debit card transactions.

When **Prosper Checking** is accompanied by **Growth Savings**, any ATM fee reimbursements credited to your **Prosper Checking** account will be transferred automatically to your **Growth Savings** account each statement cycle.

ACCOUNT DISCLOSURES

Except as specifically described, the following disclosures apply to all of the accounts listed in the above Certificate of Deposit Rate Schedule.
1. Rate Information: The Annual Percentage Yield is a percentage rate that reflects the total amount of interest to be paid on an account based on the interest rate and frequency of compounding for an annual period. The Interest Rate and Annual

Percentage Yield are fixed and will be in effect for the term of the account. The annual Percentage Yield is based on an assumption that interest earned will remain on-deposit until maturity. A withdrawal of interest will reduce earnings. When a Jumbo IRA CD drops below the minimum deposit with the Required Minimum Distribution the interest rate will revert to the standard CD rate for that term.

2. Rate Period: For each account, the term is the accounts Rate Period. The Rate Period begins on the first day of the term and ends on the maturity date.
3. Interest Compounding and Crediting: The compounding and crediting frequency of interest is stated in the Rate Schedule.
4. Balance Information: The minimum balance requirements applicable to each account are set forth

in the Rate Schedule. To open any account, you must deposit or already have on deposit at least the par value of one full share in your primary savings account. The par value amount is stated in the Fee Schedule on page one (1) of this disclosure.
5. Accrual of Earnings: For all Certificates of Deposit, Interest will begin to accrue when cash is deposited. Interest will begin to accrue on noncash deposits

BluCurrent Credit Union

TRUTH-IN-SAVINGS DISCLOSURE

EFFECTIVE DATE: December 1, 2017
 4 of 4

(e.g. checks) on the business day you make the deposit to your account. Interest is calculated by the Daily Balance method which applies a daily periodic rate to the balance in the account each day. At the end of the Dividend Period the daily dividend total is added to the account. Dividend calculations are based on a 365-day year. If you close your account before accrued interest is credited, you will not receive the accrued interest.

6. Transaction Limitations: For all Certificates of Deposit, you may not make additional deposits after your account is opened. After your account is opened you may make early withdrawals subject to the penalties stated as follows:

- 6 month CD – 90 days' Interest
- 12 month CD – 180 days' Interest
- 24 month CD/24-month Jumbo CD – 180 days' Interest

36 month CD/36-month Jumbo CD – 365 days' Interest
 48 month CD/48-month Jumbo CD – 365 days' Interest
 60 month CD/60-month Jumbo CD – 365 days' Interest
 The penalty is calculated as a forfeiture of the interest that has been or would have been earned on the amount withdrawn. It applies whether or not the interest has been earned. In other words, if the account has not yet earned enough interest or if the interest has already been paid, the penalty will be deducted from the principal.

Exceptions to Early Withdrawal Penalties: The Credit Union may waive or reduce the early withdrawal penalty under the following circumstances:
 (i) The death or legal incompetence of the account owner. (ii) Where the account is an Individual Retirement Account (IRA) and any portion is paid within seven (7) days after the establishment; or one

withdrawal annually to satisfy a Required Minimum Distribution (RMD); or the owner obtains 59½ or becomes disabled.

7. Maturity: Your account will mature as stated on your Account Receipt or Renewal Notice.

8. Renewal: The renewal option for your Certificate of Deposit is stated on your Account Receipt. If you have chosen to automatically renew your account, you will receive a Renewal Notice stating the maturity date of your account and the ending date of your ten (10) day grace period. You may withdraw funds from your account during the ten (10) day grace period without penalty charged an early withdrawal penalty. If you did not choose to automatically renew your account, you will receive a Maturity Notice prior to your account's maturity date. You will not be paid interest on your account balance after the maturity date. Upon

maturity, the account balance will be transferred to another account of yours.

9. Disclaimer: Your account is non-transferable and nonnegotiable. If you have any questions or require current rate and fee information, please call the Credit Union or log onto www.blucurrent.org
